The Examiner's attention is also directed to the commonly assigned applications being filed concurrently herewith, as set forth on page 1, lines 5-25 of the specification. Copies of these applications, marked "COPY" on the first sheet thereof, are enclosed for convenience of reference by the Examiner.

The Examiner's attention is further directed to commonly assigned, co-pending application Serial No. 10/185,858, filed June 27, 2002 (Attorney Docket No. 01-EDP-036), as set forth at page 2, line 26 through page 3, line 8 of the specification. A copy of this application, marked "COPY" on the first sheet thereof, is also enclosed for convenience of reference by the Examiner.

Additional background information is discussed in the specification under the heading "Background Information."

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the

In addition to the art cited on form PTO/SB/08A, Applicants and/or their attorneys may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

Respectfully submitted,
